*ScanSource values our relationship with Clemson MBA and continues to find many talented employees to support our business, specifically through the program's Employer Spotlight and on-campus interview opportunities. The students always present themselves professionally and are trained to succeed in various business disciplines.*

**Madison Skinner, ScanSource**

*As a working professional student, I was able to instantly apply what I was learning in the Clemson MBA Program to my job in supply chain. More importantly, by increasing my knowledge of business infrastructure, I've been more successful at working cross-functionally and creating new career possibilities.*
