

Path to Landing an Internship

Create your resume and cover letter

Have your resume & cover letter reviewed at the C-Suite

Set up your LinkedIn profile and have it reviewed at the C-Suite

Connect on LinkedIn with professors, guest speakers, alumni, etc

Follow the Powers College of Business Internships and Jobs LinkedIn

Set up and use Business JobLink

Find a mentor via Clemson Business Mentoring

Attend an etiquette dinner to practice tableside manners

Stop by the C-Suite weekly to network with employers

Attend the Career Fair after researching companies

Complete a mock interview via Business JobLink or SparkHire

Use CareerShift to search online

Attend networking events

Send thank you notes to new contacts and after job interviews!

Keep your internship applications organized on a spreadsheet

Consider shadowing or volunteering if you have no experience

Once the internship is secured, post on LinkedIn to keep connections updated
